

The image features a light cream background with decorative geometric patterns in the corners. The top-left and bottom-right corners contain overlapping triangles and squares in shades of olive green and dark teal. The top-right and bottom-left corners feature smaller, more scattered geometric shapes in the same color palette. The word "WELCOME" is centered in a dark teal, bold, sans-serif font.

WELCOME

ONLINE CENSUS SYSTEM

INTRODUCTION

- * Kerala Digital Census 2026 is a web-based data collection system
- * Designed for secure household data entry and management
- * Supports district-wise census operations
- * Enables real-time record saving using browser storage
- * Modern glassmorphism UI for professional government look
- * Built to simplify field data collection process

OVERVIEW

- * Secure Login System
- * District selection for assigned area
- * Dashboard for entering household details
- * Structured 3-Step Form:
 - * Location Details
 - * Family Head Information
 - * Living Standards Information
- * Records stored using Local Storage
- * Separate page to view, edit & delete records
- * Responsive design (Mobile + Desktop compatible)

KEY FEATURES

► AUTHENTICATION SYSTEM

- Secure login interface
- Session maintained using Local Storage
- Unauthorized access prevention

► HOUSEHOLD DATA COLLECTION

- Street, Ward, House Details
- Family Head Name & Social Category
- Total Members Count

► LIVING STANDARDS INDICATORS

- Piped Water Availability
- Electricity Access
- Internet Facility
- Land Ownership

► RECORD MANAGEMENT

- Add new household record
- Edit existing record
- Delete record
- Dynamic rendering of saved data

LANGUAGES USED

▶ HTML5

- Page structure
- Forms & inputs
- Semantic layout

▶ JAVASCRIPT

- Login authentication logic
- LocalStorage handling
- Dynamic DOM manipulation
- Record CRUD operations
- Page redirection

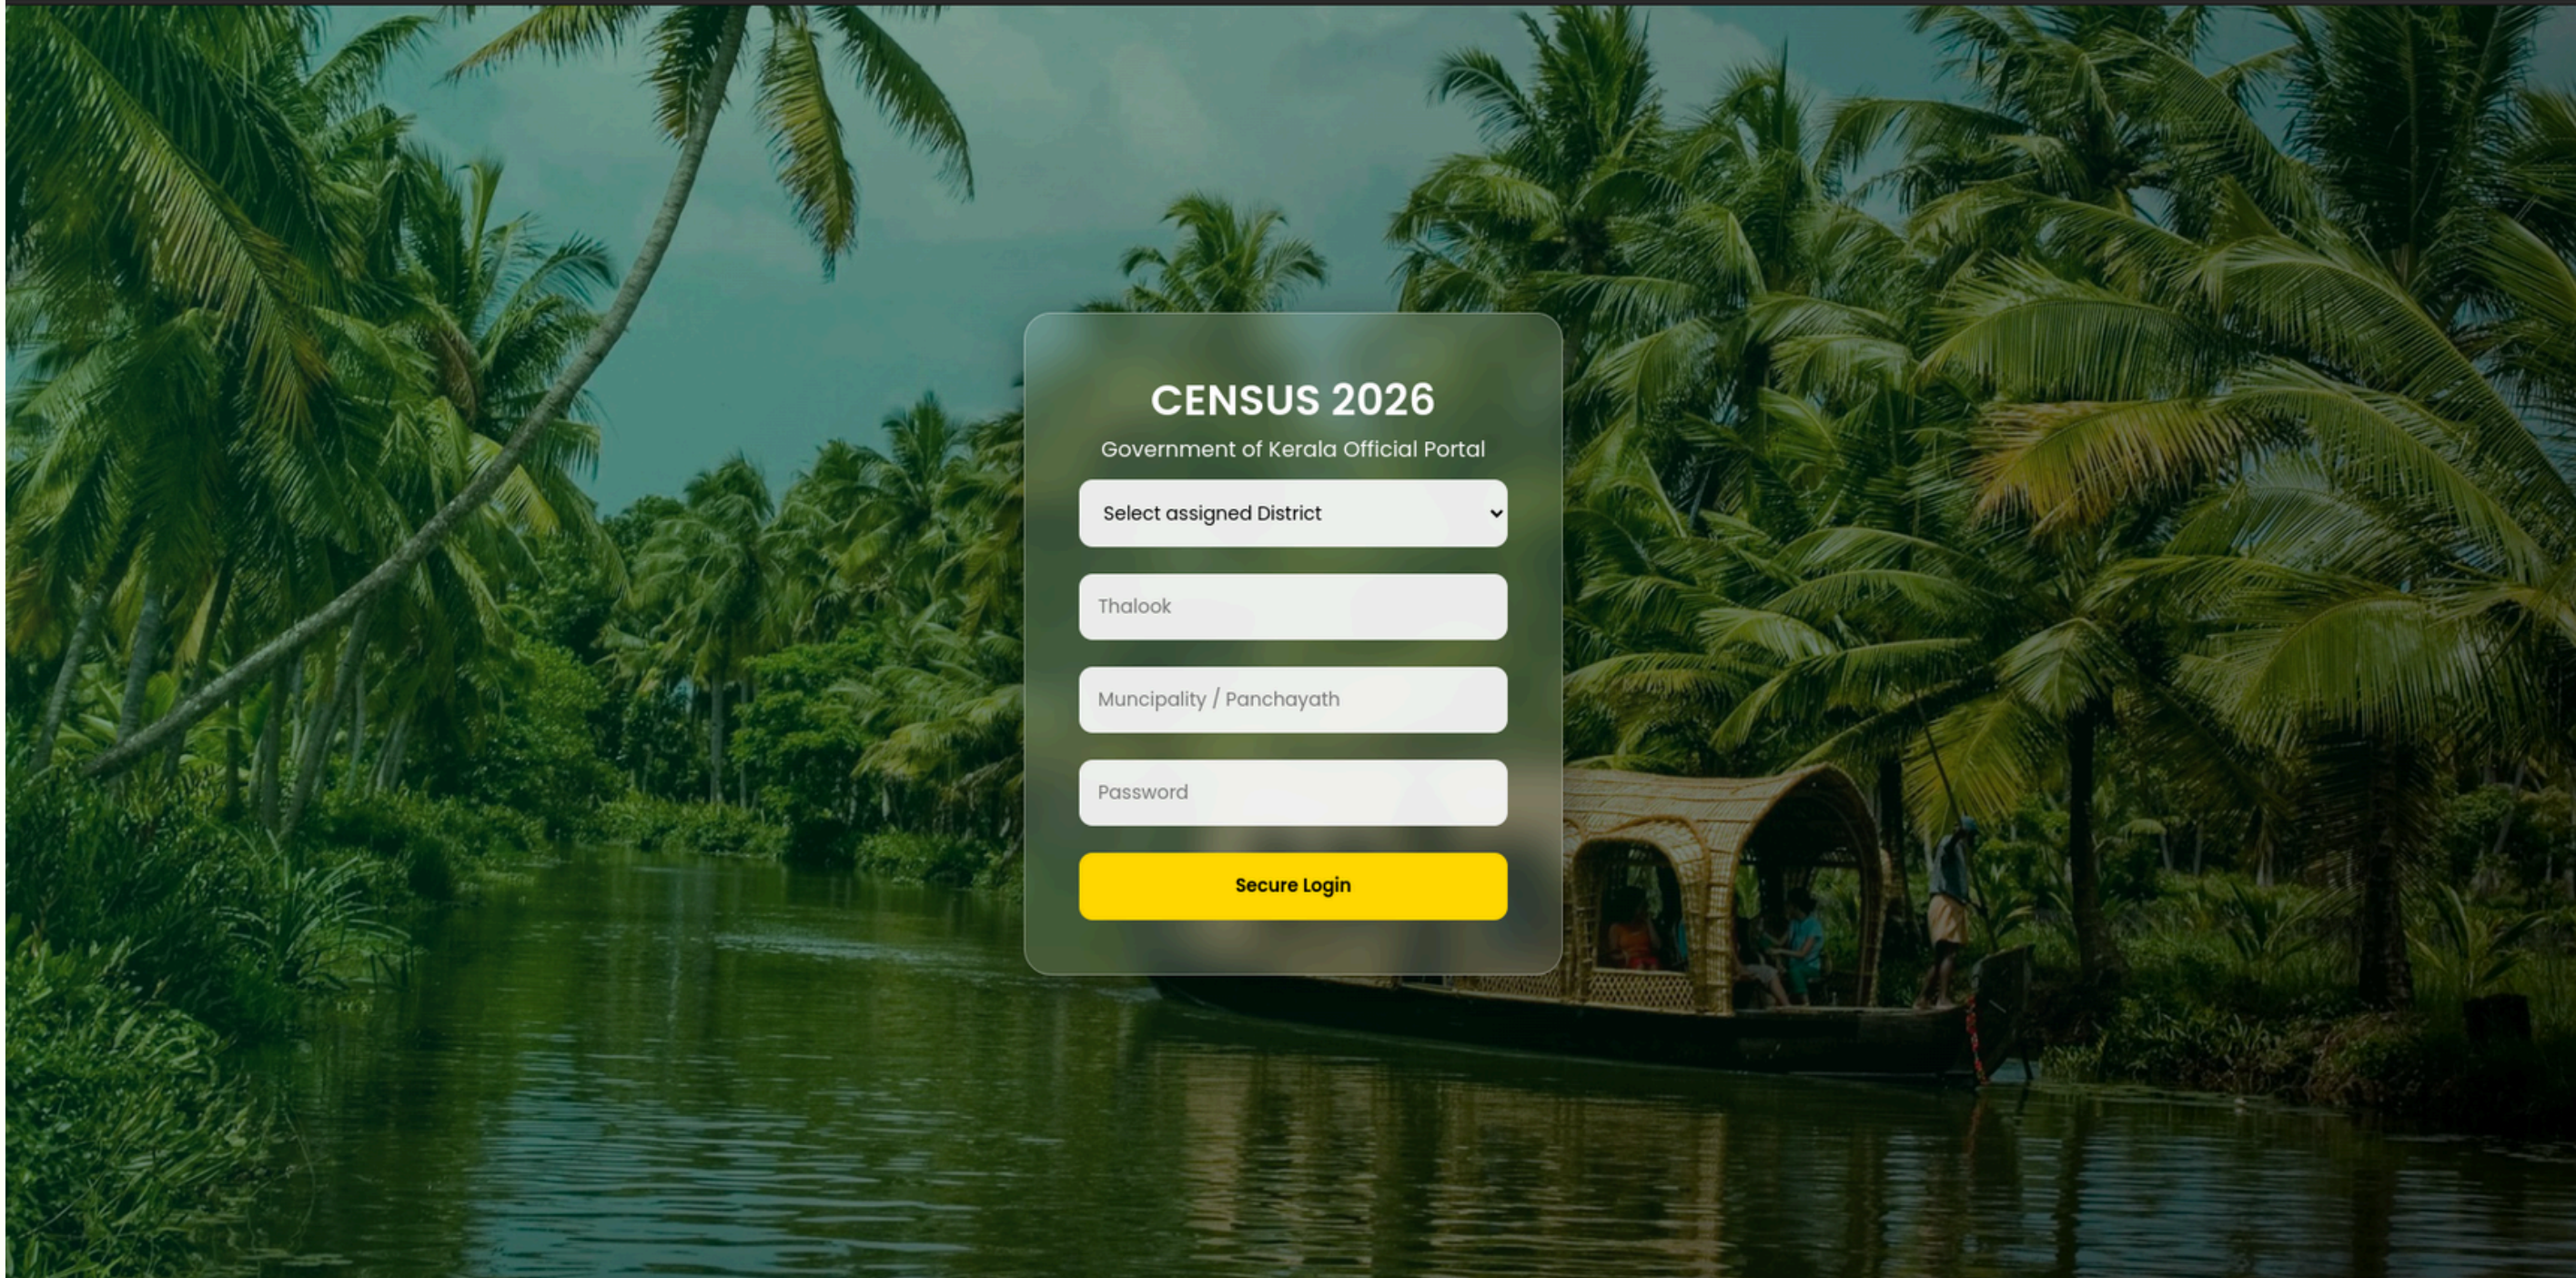

▶ CSS 3

- Glassmorphism design
- Animations & transitions
- Responsive grid layout
- Button hover effects

▶ STORAGES USED

Browser LocalStorage

- Stores census records
- Maintains login session
- Handles edit index
